### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: the primary reasons for allowance over the prior art are set forth in applicant's response of 6/22/05 on page 8, lines 1-13 and on page 9, in the last four lines. Additionally the filing of the terminal disclaimer avoids a provisional obviousness type double patenting rejection based on the copending application 09/718,401.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. In regards to the attached interview summary: Mr. Robins indicated that the proposed changes to the claims appeared acceptable and that filing a terminal disclaimer for the 09/718,401 application appeared acceptable. All the changes to the claims as proposed by the examiner on 8/11/05 have been incorporated into the amendment submitted 8/11/05 by applicant.

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Steven R. Garland whose telephone number is 571-272-3741. The examiner can normally be reached on Monday-Thursday.
